NEW QUESTION: 1

Nathalie has just received a message from her boyfriend, Clement, who is telling her about this severe Popoute virus that none of the virus companies have been able to stop.

In the same message Clement is asking her to pass the message along to anyone she can in order to ensure they will protect themselves before infection. After validating with her IT department it becomes obvious that there was no virus named Popoute that ever existed and that resources have been wasted by the large amount of emails that were sent and time wasted.
