## NEW QUESTION: 4

DRAG DROP

Your network contains the servers shown in the following table.

You plan to provide users with the ability to deploy virtual machines by using the Service Manager Self-Service Portal.

You need to integrate the System Center components to prepare for the planned deployment. On which server should you perform each action? To answer, drag the appropriate servers to the correct actions. Each server may be used once, more than once, or not at all. You may need to drag the split bar between panes or scroll to view content.
