B. Under your Business Manager' Pixels tab, you need add the agency ad account as an "Assigned Ad Account"
C. The agency needs to create a new pixel and install it to the website.
D. You need to go to the Ad Account and assign the agency as partner.
E. Under your Business Manager' Pixels tab, you need add the agency's web master as a person with access to the pixel.
Answer: A,B
Explanation:
Explanation
There are several way in which you can give the agency access to your website's pixel:
* Assign the agency as a "Partner" under your Business Manager
* Assign the agency's employees as "people" with access to your pixel under the Business Manager Keep in mind that the proper way to assign an agency is through the "Partnership" tab. Therefore, what you need to do is assign them as partners and assign the pixel to the proper ad account. You don't have to add the agency's employees as those will be added when you assign the agency as a partner to your business manager.
