### **NEW QUESTION: 1**

An organization sells monthly service subscriptions. The organization sends invoices to customers on the 15th of every month in the amount of \$450.00.

You need to set up, configure, and process recurring free text invoices for the customers.

In which order should you perform the actions? To answer, move all actions from the list of actions to the answer area and arrange them in the correct order.

### **Answer:**

Explanation:

1 - Create a free text invoice template with header, line, accounting distribution, and financial dimension information.

2 - Assign the template to the customers that you want to invoice.

3 - Process the recurring invoice by specifying the invoices date and the template to generate the invoices form.

4 - Post recurring free text invoices through the periodic posting button.

5 - Print recurring free text invoices.

Explanation:
