

Errand Solutions Partner Promotional Contribution

In order to increase enrollment in our program and business for you, Errand Solutions asks its Partners to offer a promotion to our customers. This promotion would last for an extended period of time, such as one month, in which a Partner's products and services will be highlighted and used. This gives our customers, your target audience, and an incentive to try your product or service and will lead to a larger customer base for you. It will also help generate ongoing excitement about the quality and value our Partners offer them.

Please complete the form below. You can select what product or service you would like to contribute and how many months of the year you would like the service to be offered. This is your opportunity to present the best your company has to offer.

Some examples of past promotions include:

- 15% off first time dry cleaner customers
- Free filter change with deluxe oil package
- 10% off all Mother's Day flowers
- \$20 off spring carpet cleaning
- Free shoe shine with all shoe repairs
- Buy one, get one half off all spa services
